### We proudly partner with:

Kids Around The World / Voice of the Martyrs / Samaritan's Purse /  
Christian Aid Ministries / ABWE / Love Packages / Rollins Pilot, Inc.

### - Future Communication -

With the cost of inflation and the fact that nearly 97% of Americans have a cell phone, we plan to use text messaging & email rather than sending letters through the mail.

### Warehouse provides space for rapid growth!

Thanks to the generosity of the owners of Cable Services Company/Inc. and for their vision for missions, our ministry project is growing & expanding for His glory! Watch your inbox/text messages for events, Zoom invites, open house, & more.

**Over 7,000 Square Feet**  
This giant warehouse space has been a game-changer for us. Now more churches can get involved to help us **DO MORE TO REACH MORE!**

**Quarter Gaylord Initiative Launched**  
Families/churches can now sponsor, pick up, & pack aid at their church or in their homes.

**Outreach/Evangelism**  
We are currently packing enough aid in partnership with Voice of the Martyrs to impact 20,000 people. Family Med Packs provide basic medical aid and open doors for relationships.
